

FAIRY HOUSES

Saturday, August 27th Noon - 4 PM

(Rain Date: Sunday, August 28th)

Pine Banks Park, 1087 Main St., Malden, MA

Councillor Barbara Murphy invites you to attend Malden's Fairy House Festival. Fairy Houses are structures for fairies and nature's other friends (hobbits, elves, gnomes, trolls) to visit. These whimsical habitats are built by children, families, gardeners and nature lovers reflecting their creativity, joy and pride.

Individuals and groups are welcome to enter pre-built houses, or build a house that day. Pre-built houses will be part of the Fairy House Walk, receive a Tracey Kane book, and will be entered into a contest. If you would like more information, contact Councillor Barbara Murphy at murphyforward5@yahoo.com.

All participants will receive official Fairy House Builder's Certificates.
